

Visitor's guide

This guide explains how you can travel to Sylex's offices and also offers some suggestions for accommodation in Bratislava should your visit take more than one day.

Travel to us

By plane:

You have two possibilities of coming by plane.

Bratislava airport (BTS) is the closest airport, approximately a 10-minute drive from Sylex. Someone from Sylex can come pick you up from the airport when you arrive.

For wider connection possibilities, we recommend Vienna airport (VIE), located approximately 60 km from Sylex. Please let us know your flight details and we will provide this info to the taxi company that drives our guests from Vienna airport. The driver will wait for you in the arrival hall with a Sylex placard in his hands and take you directly to our office or to your hotel.

This is the most convenient way because the taxi costs around 65-70€ per drive, it takes only 45 minutes in usual traffic from Vienna airport to Sylex and you should be able to pay by credit card as well.

Then there are also bus connections or car rental options, but this takes more time and effort at the airport.

By car:

Sylex provides parking possibilities for visitors with cars. You can use the following GPS coordinates: **48° 9' 24" N – 17° 10' 53" E** or use the direct google navigation link: <https://bit.ly/2Pm9hRf>.

Accommodation in Bratislava

We would recommend one of the following hotels as a place to stay. They are directly in the downtown area, surrounded by restaurants. Downtown is also just 10 minutes away from Sylex by local taxi service.
