

Dear Sir, or Madam,

please accept this document as a formal notification that SYLEX will gradually be replacing the current design of the following SENKO Product:

LC ADAPTER DUST CAP

### Description of Change

Design change: LC adapter dust cap changes from traditional rounded design to a square shaped structure, improving its dust protection and handling during insertion and removal.

For detailed information, please contact your primary SYLEX representative.

This change will affect all LC adapter dust caps, purchased either individually, or as a part of an adapter. This is a running change, coming into effect after stock of the current dust plugs are depleted.

Sincerely,

Your SYLEX team
